Events – Artspace Warehouse Hosts “Chopped Art Bowl” Event This Saturday

(“Metropolis” by artist Lucinda Luvaas, \$1,500)

Owning an original art piece doesn’t have to break the bank. This Saturday, head over to [Artspace Warehouse](#), 7354 Beverly Boulevard, for their “Chopped Art Bowl” event. New works from artists Lucinda Luvaas, Judy Zimbert, Edith Conrad, and more will be displayed. Plus, the gallery will be having a discussion on the whole “graffiti as art” topic. Should be interesting. Pieces start at **\$120**, so there’s no first-time collector fear. Festivities are between 1pm-3pm, Saturday, May 14.
