The Beverly Boulevard area near Fuller Ave. has many great art galleries and interior design stores. Among it is Artspace Warehouse with an amazing assortment of inexpensive original artworks. It's fun to browse the many sections that are laid out by price categories. Most artworks are about \$1000 and numerous fabulous original pieces are offered for under \$300. There are some really good restaurants in the area to make the trip worthwhile: Angelini Osteria, bld and others.
